THE HEAVY HITTERS OF OFFSHORE WIND

Teaming opportunities abound at the Maryland Offshore Wind Annual Meeting; opportunities within the Maryland offshore wind project, regional projects, and the global offshore wind supply chain.

- Hear updates on regional offshore wind projects.
- Understand Maryland's offshore wind project and the team members required.
- Learn about strategies for local subcontracting, plans for procurement, and partnering opportunities.
- Plus strategies for securing financing, creating strategic alliances and generating Letters of Intent.
